my baby came down from romania
she was the queen of transylvania
but now we live in suburbia
without any friends buzzing you
my baby came down from romania

but now we live in suburbia

zece, alege nu mai intelege
opt un tort musica non-stop
zece, alege nu mai intelege
opt un tort musica non-stop

cand te vad ma pierd cu firea
nu'mi pot stapani privirea
dansezi bine esti mortala
si cu frumusetea ta'i bagi pe toti in boala
orice barbat te doreste
cand te vede innebuneste
ti'ar da bani, ti'ar da orice ti'ar da si casa

pentru tine si'a lasat nevasta tsiganizatsia, tsiganizatsia
come on, baby, this is what you need tsiganizatsia, tsiganizatsia
everybody's dancing to this beat tsiganizatsia, tsiganizatsia
come on, baby, this is what you need tsiganizatsia, tsiganizatsia
